

Observation equipment

Name: Environmental monitoring system

Type: Alec Compact-CTD

Location: Captain's Room

Name: Environmental monitoring system

Type: Alec AAQ

Location: Captain's Room

Name: Environmental monitoring system

Type: YSI MPS556

Location: Biology Room

Name: Environmental monitoring system

Type: YSI Model85

Location: Biology Room

Name: Miniature conductivity/temperature data logger

Type: Alec Compact-CT

Location: Biology Room

Name: Miniature dissolved oxygen data logger

Type: Alec Compact-DOW

Location: Biology Room

Name: Miniature light intensity data logger

Type: Alec Compact-8LW

Location: Biology Room

Name: Single-axis current meter

Type: Alec AEM1-D

Location: Biology Room

Name: Ultra-miniature light intensity data logger

Type: Alec MDS-MkV/L

Location: Biology Room

Name: Ultra-miniature depth data logger

Type: Alec MDS-MkV/D

Location: Biology Room

Name: Flowmeter

Type: JDC Electronic Flowatch

Location: Biology Room

Name: Laser rangefinder

Type: Laser Technology TruPulse 200

Location: Biology Room

Name: Theodolite

Type: Topkon TL-20F

Location: Biology Room

Name: Portable GPS/Fishfinder

Type: Honda Electronics PS-60GP (and 2 others)

Location: Biology Room

Name: Portable sonar

Type: Lowrance Structure Scan

Location: Biology Room
